## Mission Statement

The mission of the Geneva Township Center shall be to act as the primary community resource to serve all citizens of Geneva Township by enriching the social and intellectual life of our older adults; helping our older adults contribute to the well being of our community as effective and useful citizens of the township; helping those approaching or in retirement to plan appropriately; organizing community interest in improving the overall climate of living for our older residents; decreasing the sense of isolation and dependence that often accompanies old age; and, helping our older adults meet practical problems attendant with aging.

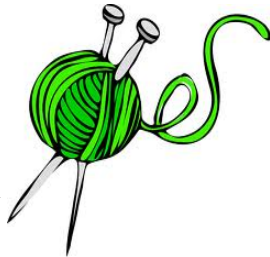

## Holiday Closing

The Center will be closed on **President's Day, Monday, February 18.**

## NEW Knitting Circle a Hit

Thirteen enthusiastic knitters with varying degrees of experience gathered in the social hall last month for an old fashioned knitting circle. Experienced knitters taught "new" knitters how to begin a colorful scarf. Much progress was made at this first session by even the beginning knitters. Knitting (crocheting, too) will join many other activities on the calendar as a monthly event. Why not join this fun activity on **Thursday, February 21 at 1:00pm.**

## Card Making Class Sign-ups

It's not too late to sign up for Center member **Joan Zirzow's** card making class. Samples of Joan's beautiful cards are on the bulletin board in the Center office. What better way to express your creativity... If you'd like to join this activity on **Wednesday, Feb. 13 at 1:00pm**, please call the Center at 630/232-3602 no later than Monday, February 11 to sign up. Joan will be on hand to assist attendees with their personal projects. All supplies will be provided with a cost of \$3 to cover the cost.

## New Current Events Discussion Group

Our new **Current Events** group had a great discussion in January. On **Thursday, February 14 at 1:30pm** the group will explore "Television's Influence on Cultural Norms". Why not contribute to the February discussion and talk about behavior patterns that are **or** are not related to television. This coed, open-minded group welcomes all opinions. Meet in the social hall for the discussion. Call the Center at 630/232-3602 if you have questions.

## Super Bowl Party Reminder

Reservation calls to the Center for this popular party have been brisk. You won't want to miss this event! The Center will provide assorted sub sandwiches, chili, and drinks. If you're able, we're requesting that attendees bring **one appetizer, side, or dessert**. ## AARP Tax Preparation Appointments

Volunteer AARP preparers will once again be at the Center on Tuesday and Thursday each week to help members complete and file their 2012 Federal and IL tax returns. Tax preparation appointments are now available for all dates beginning Tuesday, February 5. AARP volunteers are trained and tested in current tax law using materials from the IRS. They can complete most tax forms including 1040EZ, 1040A, and 1040 with schedules. However, please see a professional tax preparer for complicated returns. For a specific list of tax forms that can be completed by the AARP preparers, please contact the Center. There is no cost for this service. Appointments are required. Call 630/232-3602 to make an appointment.

## Ladies Valentine's Day Tea

Americans probably began exchanging hand-made valentines in the early 1700s. In the 1840s, Esther A. Howland began selling the first mass-produced valentines in America. Howland, known as the "Mother of the Valentine," made elaborate creations with real lace, ribbons and colorful pictures known as "scrap." Today, according to the Greeting Card Association, an estimated 1 billion Valentine's Day cards are sent each year.

**On Friday, February 15 at 11:00**, we'll celebrate Valentine's Day with tea, finger sandwiches, and treats. The dining room will be awash in red and pink. Dress in Valentine colors if you like. We can accommodate the first 40 reservations. Call 630/232-3602 early to sign up for this popular event.

## Wellness Matters!

The flu season has hit particularly hard this year. Please take the time to read some good prevention advice included below that applies to time at the Center or elsewhere. Every room in the Center has hand sanitizer and tissues for your use.

1. Follow the "six-foot rule" with anyone who seems sick. When someone with the flu coughs, sneezes, or even talks, the virus is expelled via respiratory droplets—and this is the most frequent way people become infected.
  2. Wash your hands often—after you shake hands, for example, or handle an object someone else was using, such as a computer keyboard or phone. When you can't wash with soap and water, use an alcohol-based hand cleaner.
  3. When out in public, try to avoid touching your lips, nose, or eyes, unless you've just washed your hands.
  4. If you do get the flu, stay home so you don't infect others (typically, adults are contagious for about a day before symptoms begin and for about five days after; children longer). If you have to go out and need to cough or sneeze but have no tissue, do it into your sleeve or the crook of your arm, rather than into your hand or the air.
