**In Honor of Veteran's Day**

We are very proud to have a presentation by a famous local artist, **Guy Bellaver**. You may be familiar with two of his sculptures, The Kane County Veterans Memorial and Ekwabet. Citizen Soldier stands tall at the Government buildings serving as a memorial to all that fought in the wars. Ekwabet is a proud Indian sculpture looking over the Fox River in St. Charles.

Can you imagine how these massive bronze are created. **Mr. Bellaver** will show us how he uses the lost wax process and molten metal to construct his statues. Meet **Guy Bellaver** and join us for his fascinating presentation, Monday, November 10<sup>th</sup> at 10:30. Following Guy Bellaver's presentation will be our Monthly Free Lunch.

**NOVEMBER'S FREE LUNCH**

Once again the Geneva Township Senior Center is offering its monthly free lunch to all Geneva Township residents age 55+. Lunch will be provided by Ingelnook Pantry. Please join us for a free lunch at 11:30 a.m. on Monday, November 10th. Space is limited, so please make lunch reservations by calling Gayle at 630-232-3602 no later than November 6th.

**NEW Exercise Classes at the Senior Center!**

We are excited to announce that the Senior Center will now offer 2 Senior Vitality exercise classes to be held on the porch, one on Thursdays and one on Fridays. The classes will include a combination of movements and strength training that will gradually improve flexibility, range of motion, muscular strength, balance and cardiovascular endurance. Both classes will start the first week in November and require a doctor's order to participate. The registration form and physician permission slip are available at the Senior Center. Our classes are lead by Delnor staff and are 45 minutes long.

Thursday at 10:30 – 11:15 will be seated/standing exercise.

Friday at 9:15 – 10:00 will be seated yoga.

**There is no charge for the classes, however you must be registered to participate.**

## ... a great trip to Elmhurst!

It was a beautiful day in Elmhurst! After taking a bus to the Geneva train station, 32 people boarded the Metra to Elmhurst! Using their senior RTA pass, most people rode the train for FREE! We lingered at the Lizzadro Museum, strolled to Café Amano for a delicious meal and the train brought us back to Geneva. We all agreed that it was a great trip! If you don't have a RTA senior pass, it is easy to get one. The Senior Center will take your picture and process the application free for Geneva Township residents, and most receive their pass in about 3 weeks.

### Flu Shot Clinic Success

We appreciate all of the great volunteers that worked hard to make our 2008 flu shot clinic a huge success! While **Gail Jankowski** organized coffee and treats, **Frank and Anne Stagno** greeted people, gave out applications and did clean up. **Mary Jane Potts** distributed the numbers, **Candy Briestansky** helped in the kitchen and stayed hours later to organize our supplies. Thank you to **Denise LaClure** for driving the trolley, **Mark Wissing** for helping out wherever needed and **Supervisor Pat Jaeger** for the organized flow of the entire process. As always, **Pat Brazill** handled the behind the scene operations from transportation of members to whatever comes up! May we all stay healthy!

### Do you like cards?

If you like to play cards we are offering a new game for you to learn, Triple Play! If you like canasta, this is a fun, easy to learn version and no prior experience is necessary. **Candy Briestansky** loves triple play and has volunteered to teach it to any interested people. Come to the Senior Center on Friday, November 7<sup>th</sup> and 14<sup>th</sup> at 1:00 p.m. and learn a new game. Keep your brain cells active and spend some time with Candy!

### How about lunch and a tour of Fermilab?

On Monday, November 17<sup>th</sup> the Senior Center will be taking a tour of Fermilab in Batavia and we hope you will join us! Fermilab is a national laboratory, part of the Department of Energy. Fermilab's main focus is the fundamental study of matter and conducting research into particle physics. The 90 minute tour will begin with a visit to the 15<sup>th</sup> floor of Wilson Hall where we will see the linear accelerator and the control room. This tour will require you to walk the equivalent of 3 square blocks, please consider that when signing up for the tour. Also, if you have a pacemaker, this tour is not for you. We will meet at the Senior Center at 12:00 noon and our first stop will be for lunch at the Country House restaurant. Next we will take a bus to Fermilab for our tour and return to the Senior Center about 4:00 p.m. your only cost will be for your lunch. You must make a reservation by calling Gayle at 232-3602.

### Do you want to make a difference?

We have a unique opportunity for you... a group of special needs college age students are seeking guidance with their community service project. They are making knot blankets for Marklund residents and would like your help. This multi-generational activity will match a volunteer with a special needs teenager to complete the knot blanket project, there is no sewing involved, just cutting and tying. Our goal is to help the students understand the importance of giving back to the community. In addition you will get the opportunity to make a wonderful relationship. We are meeting on Tuesday, November 11<sup>th</sup> at 11:00. Please call Gayle at 232-3602 and let her know you if are interested.

### Spotlight on a Star Volunteer...

**Lori Carroll** is our star volunteer for the month of November! You can see Lori and her beautiful blue eyes, volunteering on Wednesday's with the Golden Diners at the Senior Center. For the past 10 years Lori has loved

**Lori Carroll**

living in Geneva and volunteers because she "loves people and meeting new people". Lori has 3 children and 3 grand-children and keeps busy with friends, playing cards and volunteering. An interesting fact about Lori is that she played baseball on the farm team for the Rockford Peaches! We are grateful for Lori and the enthusiasm and friendliness she shares with the Senior Center.

### Book Club

The buzz from the book club was that this month's selection, The Art of Racing in the Rain, by Garth Stein, was a great read! I received many favorable comments about this choice and the discussion will be lively. Our choice for November is The Glass Castle by Jeannette Walls. This non-fiction book will keep your interest as you learn about the author's dysfunctional family and their travels. We will meet to discuss the November book on the 4<sup>th</sup> Monday of November, the 24<sup>th</sup>.
