### We All Scream for Ice Cream!

You probably know the iconic saying, “I scream, you scream, we all scream for ice cream!” However, you may not know its origins. It was a commercial slogan for the Eskimo Pie - originally called the I-Scream Bar. Come celebrate the long-awaited summer with an ice cream sundae and all the toppings served on the Center patio on **Monday, July 22 @ 2:00 pm**. No screaming necessary! The sun umbrellas will be up! We’ll try to anticipate your cravings and stock up on a variety of ice cream and toppings. Music will be playing... If it rains, we’ll move the party into the dining room. Call the Center at 630/232-3602 to register.

### Keep It Cool at the Center!

The hot summer weather is just getting started! Remember that the air-conditioned Center is open Monday – Friday from 8:30-4:30. Stop by and have a complimentary iced tea or cold drink of water and escape the heat. Enjoy all we have to offer in cool comfort. Let your neighbors and friends age 55+ in Geneva Township know that they’re welcome to stop by any time we’re open to cool off and relax.

### Arts and Outings

A meeting will take place on **Thursday, July 18 at 11:00** to discuss ideas for outings and arts events away from the Center for the upcoming summer and fall seasons. Join this group and contribute your ideas for events and trips. If you can’t make it but have a suggestion, call the office and let us know. All are welcome.

### Mission Statement

The mission of the Geneva Township Center shall be to act as the primary community resource to serve all citizens of Geneva Township by enriching the social and intellectual life of our older adults; helping our older adults contribute to the well being of our community as effective and useful citizens of the township; helping those approaching or in retirement to plan appropriately; organizing community interest in improving the overall climate of living for our older residents; decreasing the sense of isolation and dependence that often accompanies old age; and, helping our older adults meet practical problems attendant with aging.

### Book Club

In July, the Club choice is *The Life We Bury* by Allen Eskens. College student Joe Talbert has the modest goal of completing a writing assignment for an English class. His task is to interview a stranger and write a brief biography of the person. With deadlines looming, Joe heads to a nearby nursing home to find a willing subject. There he meets Carl Iverson, and soon nothing in Joe's life is ever the same. Carl is a dying Vietnam veteran--and a convicted murderer. With only a few months to live, he has been medically paroled to a nursing home, after spending thirty years in prison for the crimes of rape and murder. As Joe writes about Carl's life, especially Carl's valor in Vietnam, he cannot reconcile the heroism of the soldier with the despicable acts of the convict. Copies of the book have been reserved for Center members at the Geneva Public Library. **Ask for one at the library main desk...** A discussion of this novel will take place on **Tuesday, July 30 at 10:00.**

At odds with library officials over how to handle the extreme weather event, some homeless patrons turn the building into a shelter for the night by staging an "Occupy" sit in. centers on the unlikely relationship between Ann Atwater (Henson), an outspoken civil rights activist, and C.P. Ellis (Rockwell), a local Ku Klux Klan leader who reluctantly co-chaired a community summit, battling over the desegregation of schools in Durham, North Carolina during the racially-charged summer of 1971. The incredible events that unfolded would change Durham and the lives of Atwater and Ellis forever.
