### NEW Center Bird Feeders

When a community gets consistently cold (below freezing) in the winter or has extended periods of snow and ice on the ground, it's not surprising to learn what a huge difference you can make by feeding wild birds outside. A large-scale winter storm, with deep snow or ice cover, cuts off many birds from their natu-

ral food supplies and can cause them to starve by the thousands and even millions. Backyard bird feeding can make a real contribution to their survival and even thriving during the winter months. We want to do our part! A couple of feeders will be placed on a shepherd hook just outside the Center porch windows. We're consulting with our resident birder, Art, to choose the best food. Enjoy the "bird show"!

### Daily Drop-In Activities

The following activities are available whenever the Center is open, Monday through Friday, 8:30-4:30. It's all free; no need to sign up!

- **Billiards:** 8-ball and 9-ball, on the porch when the porch is not scheduled for other activities. **Shuffleboard:** The table is on the porch.
- **Bocce Ball:** The court is outdoors, along the Southeast side of the building, (seasonal).
