### **March Book Club Choice**

***Anxious People*** by **Fredrik Backman** is the March pick. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. The book club welcomes all members. Readers can now pick up a copy of the monthly club selection at the Center. Multiple copies are available for check out. Books must be returned to the Center prior to or on the designated book club day. Do not return copies to the Geneva Library. A discussion of this novel will take place on Wednesday, March 30<sup>th</sup> at 10:30.
